

CRANBORNE

PARK LIVING

CRANBORNE

PARK LIVING

Designed by Jill Withers

Luxury with flair and personality

Sleek and polished with a feel of openness, the Cranborne is a home with a strong and confident personality that emanates luxury and high style.

The perfectly symmetrical facade of this home, makes a bold statement. Two large roof dormers sit either side of a composite front door with square leaded glazing to either side. Feature Canoxel cladding to the roof dormers and surrounding the main entrance is complimented by a perfectly colour matched stucco finish, and further windows with part square leaded glazing detail complete the look.

Inside you immediately get a feeling of openness with a large, contemporary styled, semi-open plan living space. The lounge and dining area form an 'L' shape and the kitchen is open through to the dining area. Vaulted, panelled ceilings further add to the feeling of spaciousness and a skylight over the front entrance lets in plenty of natural light.

The interior design is bold yet relaxed and comfortable, with feature wallpaper, natural oak engineered wood flooring and distressed white and driftwood furniture. Large comfortable sofas and footstools provide ample space to relax and a feature coal effect fire with angled flue on a black granite hearth makes a real design statement.

The impressive kitchen is exceptionally well kitted-out and includes a Belfast sink, Silestone work-top, plenty of storage space and Smeg appliances including a stainless steel range cooker, microwave, dishwasher and American fridge-freezer. There's also a separate utility room with a second Belfast sink and Smeg washing machine and tumble dryer.

With hessian backed carpet underfoot, the luxury continues into the bedrooms. Beautiful hand-painted furniture in the master bedroom includes a King-size bed, bedside tables, writing table and rattan high back chair. Fitted wardrobes with feature Lancaster oak and stone grey panelled, sliding doors to both bedrooms provide plenty of hanging space and a colour scheme of warm greys highlighted by striking Magenta adds personality with a strong sense of style.

The fully tiled en-suite is reminiscent of a luxury 5 star hotel suite and includes a decadent walk-in shower with oversized soaker. Also fully tiled, the luxurious family bathroom includes a shower over bath; a continuation of the unique styling which allows all family members to quite literally soak up the luxury!

Structure

- BS3632:2015 compliant and protected by a 10-year Gold Shield structural warranty
- Pitched tiled roof (guaranteed for 40 years)
- PVCu double glazing with 10-year frame warranty and 5-year glazing warranty
